

CORNER RADIUS TEMPLATE 1/2"

Most windows use either 2.5", 3" or a 4" radius. Here's a template to help you determine your radius.

- **Make sure your page scaling is set to NONE and that your zoom says 100%**
- Place the template on the corner of your window and determine which radius matches. This is the radius of your window.
- **NOTE: UNIT ARE IN INCHES**
